Automatically Opens Technology

Self-Sealing Core

Anti-gravity Principle

Drainage uses gravity and simple mechanics to stop bad smells. The self-sealing core opens by itself when water flows through and closes by itself when there is no water, which keeps odors out.preventing foul smell and sewage backflow.

05 Key Benefits
Our Self-Sealing Drain

1. Eliminate Odors for a Fresher Home

2. Your Guardian Against
Unwanted Guests:

3. Install It and Forget It
Zero Effort Required

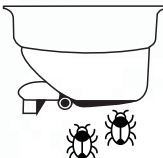

4. Upgrade Your Home with Smart,

Why Do People Choose LUXURIA?

Why Do People Choose?

Our goal is simple: to create bathroom fittings that work well every day and keep looking good for years. Here's what you get with our bathroom accessories:

Durable Materials: Made from 304-grade and premium stainless steel plus other high-quality materials to resist rust, corrosion, and daily wear.

Functional Design: Thoughtful details like easy-pump dispensers, drainage holes in holders, anti-slip trays, and smooth edges for safety.

Versatility: Our bathroom accessories come in a wide range of styles and finishes, designed to save space and suit both compact and spacious bathrooms with ease.

Consistency Across Fittings: Matching finishes, hardware styles, and coordinated designs so your accessories feel like part of a unified set.

Durable Engineering: Heavy-duty mounts, corrosion-resistant coatings, and precision-machined joints, ensuring your accessories last even with daily use.
